

Les gars on a fait de la noce dans le dernier match

On vas donc revoir certaines techniques

dans la gravité domine des trajectoires en formes parabolique c'est le régime des touches

Pendant l'entraine

À Plus grande vitesse et en absence de rotation on observe des trajectoires rectilignes en zig zag.

3 jours plus tard...

Bien joué les gars Fak. Faire fort au prochain match!

Il faut qu'on ce match c'est
