

7th Meeting on B Physics

lundi 4 octobre 2010

Current status of flavor physics with dileptons in the final state - Auditorium (09:10 - 10:45)

time	[id] title	presenter
09:10	[2] New physics in rare B decays : a theoretical view	KAMENIK, Jernej
09:50	[3] Search for New Physics with Rare Heavy Flavour Decays at e^+e^- machines	DE NARDO, Guglielmo
10:10	[4] Dileptons at the Tevatron : $B_s \rightarrow \mu\mu, \phi_s, \text{anomalous asymmetries...}$	TONELLI, Diego
