

Workshop on B decay into D** and related issues

mardi 27 novembre 2012

Issues of D broad resonances - Seminar Room (14:00 - 15:30)

-Présidents de session: O. Pene

time	[id] title	presenter
14:00	[16] A proposed solution to puzzles in B semileptonic decays	BERNLOCHNER, F.
14:15	[17] Excited heavy-quark mesons and the heavy quark expansion	N. URALTSEV
14:45	[28] Hints on $\tau_{1/2}$ from $B_s \rightarrow D_s(0^+) \pi$	BECIREVIC, D.
15:00	[19] Discussions	

Issues of D broad resonances - Seminar Room (16:00 - 18:00)

-Présidents de session: V. Gligorov

time	[id] title	presenter
16:00	[20] $B \rightarrow D^* \pi \pi$	T. LATHAM
16:30	[24] S wave and radial excited states in tau and D decays	P. ROUDEAU
17:00	[22] Discussions
