

French-Ukrainian workshop on instrumentation development for high energy physics

mercredi 1 octobre 2014

Session "R&D on accelerators: beam diagnostics" (chair A.Variola) - Salle bleue (10:00 - 10:50)

time	[id] title	presenter
10:00	[2] Review talk - Mechanisms of high-energy charged particles deflection by bent crystals	N.F. SHUL'GA
