

2017 YOUNG INVESTIGATOR AWARD

CEREMONY

TYL-FJPPL and FKPPPL

TOSHIKO YUASA LABORATORY

2017 YOUNG INVESTIGATOR AWARD

FRANCE-JAPAN PARTICLE PHYSICS

2017 TYL-FJPPL Young Investigator Award

- 2017 is TYL-FJPPL **2nd year** for its Young Investigator Award !
- the aim of the TYL-FJPPL Young Investigator Award is to highlight and promote the individual work of junior scientists active within the TYL-FJPPL Japanese and French teams.
- the TYL-FJPPL Young Investigator Award will reward up to two PhD students or postdoctoral researchers every year, based on the excellence of their contribution to one of the TYL-FJPPL supported collaborative projects.
- the nominations should include a brief description of the work and particular contribution of the candidate (half page to one page long), a CV and at least one letter of recommendation.
- as part of the award, selected candidates will be invited by the TYL-FJPPL to present their work during an Award Ceremony at the next joint TYL-FJPPL and FKPPPL annual workshop.

Laboratoire de Physique des Particules Toshiko Yuasa

2017

Prix du Jeune Chercheur

湯浅年子ラボラトリー若手研究者賞

Décerné à :

Hiroki Yokoyama

Pour ses travaux de recherche sur la physique
des ions lourds dans l'expérience ALICE
(projet HAD_01)

Date: 11.5.2017

2017 FKPPL Young Investigator Award

- 2017 is FKPPL **1st year** for its Young Investigator Award !
- the aim of the FKPPL Young Investigator Award is to highlight and promote the individual work of junior scientists active within the FKPPL Korean and French teams.
- the FKPPL Young Investigator Award will reward one PhD student or postdoctoral researcher every year, based on the excellence of their contribution to one of the FKPPL supported collaborative projects.
