

programme du workshop franco-ukrainien

mercredi 2 octobre 2019

Accelerators - 1: Accelerators - 1 (09:10 - 11:00)

time	[id] title	presenter
09:10	[1] Geometrical optics method in the theory of scattering of high energy charged particles in matter	SHULGA, Mykola F
09:50	[2] Study of the formation region effects in the properties of radiation by a "half-bare" electron interacting with matter	M. TROFIMENKO,, Sergii
10:10	[3] Progress with ThomX X-ray line	JACQUET, Marie
10:30	[4] Optimization of X-ray source at IAP	M. LEBED, Oleksandr
10:50	[5] Discussion
