

Funding from Mediterranean Union

- **Community established** on the 13th July 2008:
 - E-U Members + non-EU countries that border the Mediterranean sea
 - Recent meeting in Amman (Jordan) in November
- **Scientific policy** :
 - Budget (7 billions €) from E-U
 - Even if favored projects seems to be related to ecology and environment CRT project fit perfectly to UM criteria
 - However, no official funding calls yet!
- **Irfu(Saclay) - LAL(Orsay) actions** :
 - Circulate documentation to our contact persons in the French ministry office of Science (⇒ Foreign Office)
 - Actions coordinated by Roy Aleksan (Irfu)
 - Three documents :
 - A very short summary of the project (1 page)
 - A more detailed description of the project in terms of science and technical issues (4 pages)
 - The proposal submitted to Arabian foundations
