

PHENIICS Fest 2020: The Students' Day of PHENIICS Doctoral School

jeudi 28 mai 2020 - vendredi 29 mai 2020

IJCLab

Programme Scientifique

PHENIICS Fest 2020 will cover oral and poster presentations in the following tracks:

Astroparticles and Cosmology

Nuclear Astrophysics and Nucleosynthesis

Space Instrumentation

Back-end of the Nuclear Cycle, Radiation Protection and Radiochemistry

Nuclear Energy

Medical Imaging and Radioactivity

Radio and Hadron Therapies

Physics of Accelerators

Hadronic Physics

Particle Physics

Nuclear Structure and Reactions

Detection Systems in Subatomic Physics
