Best (?) current way in the forest to go from IPa to Residhome

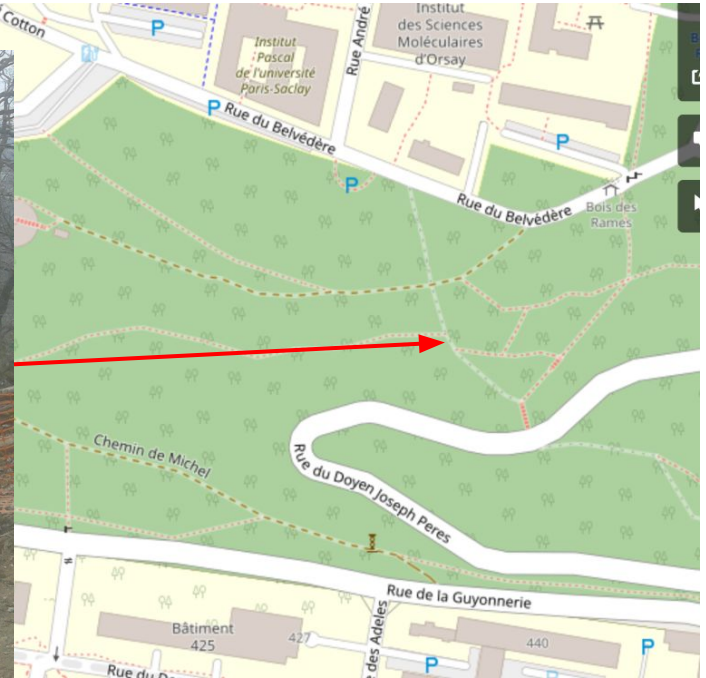

Best (?) current way in the forest to go from IPa to Residhome

Continue down the stairs...
(to the right = path around water tank)

Best (?) current way in the forest to go from IPa to Residhome

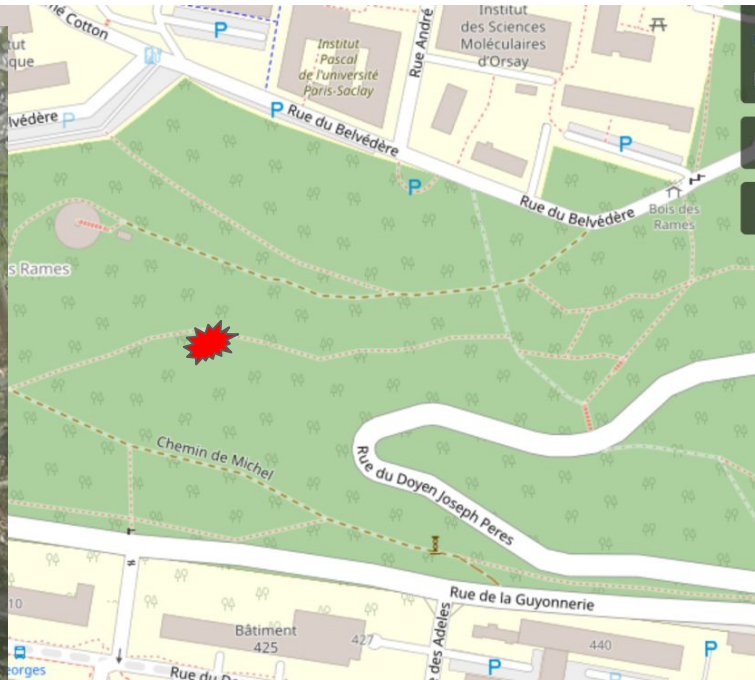

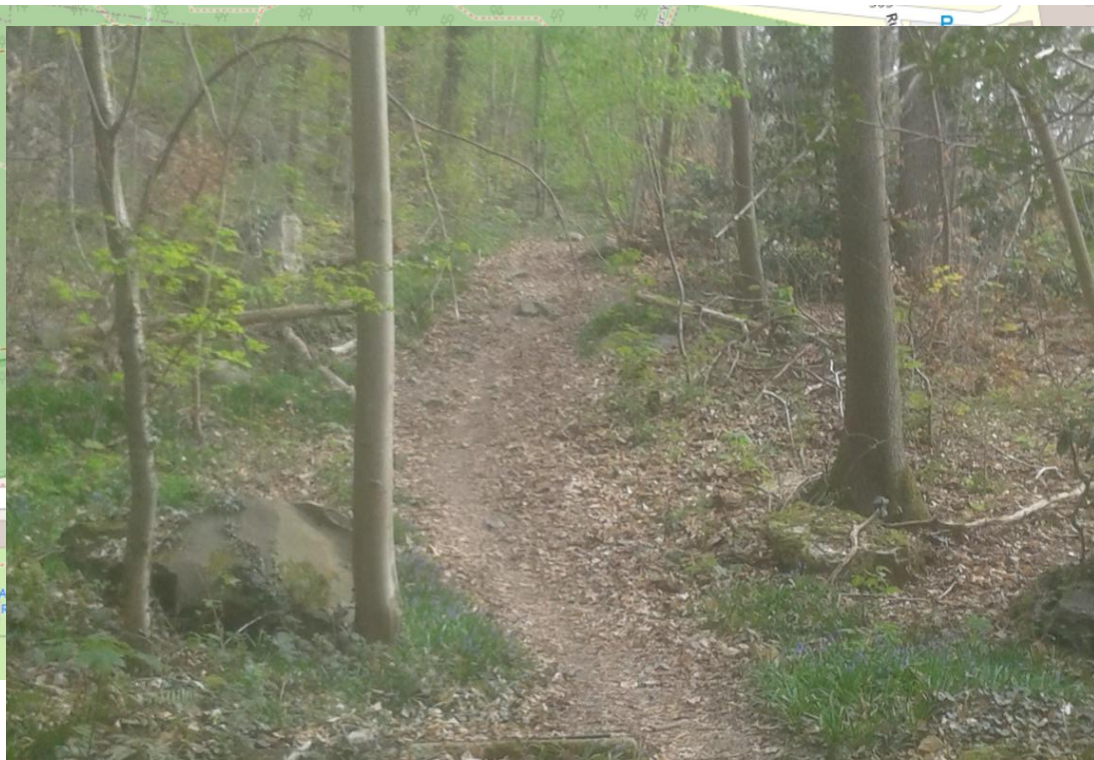

Go to the right where the (covered) bench is: take small trail
otherwise you join the road

Best (?) current way in the forest to go from IPa to Residhome

Straight on along nice trail...

Best (?) current way in the forest to go from IPa to Residhome

The "worst" place I've seen
(in climbing direction)

Best (?) current way in the forest to go from IPa to Residhome

Joining the main trail in the bottom of the hill
Don't miss the path to the left when climbing !
